Opportunity in business mobility

An aerial photograph of a city, likely London, showing a river (the River Thames) and a bridge (Tower Bridge) crossing it. The city is surrounded by greenery and water.

3 billion mobile phone users in 2007...

... yet corporate mobile phone usage still low

80% of mobile phones sold in 2008 email capable...

... yet mobile email penetration in single digits

NOKIA

Positive response from analysts on Nokia Eseries as an enterprise-ready platform

NOKIA

Nokia E90 Communicator: Premium mobile office
