

Outperform your expectations with Aurelis Optical LAN

NOKIA

Traditional LAN	Aurelis optical LAN
<p>University</p> <p>Please hurry up! You've been uploading for several minutes!</p> <p>Uploaded in a few seconds! Time for Nokia Apex Legends.</p>	
<p>Mayor office's</p> <p>What are we doing in the dark Mr. Mayor?</p> <p>It's part of our new energy conservation policy.</p> <p>Great news. We've received a green certificate!</p> <p>I don't have any space left on the wall.</p>	
<p>Enterprise</p> <p>Not again! Third time that's happened this week.</p> <p>Must remember to schedule the fiber cable maintenance for the year 2065.</p>	
<p>Hospital</p> <p>Too much interference, I can't see your test results.</p> <p>You are in perfect health! Let's see what medicine we have for that.</p>	
<p>Army</p> <p>What do you mean our plans are all over the internet? I have officers guarding my computer 24/7!</p> <p>No, sir. I'm happy to report we've never had a breach in our security.</p>	
<p>Hotel</p> <p>Is there a gym at the hotel?</p> <p>No, sorry! We don't have the space.</p> <p>Is there a gym nearby?</p> <p>Yes, we've just freed up space for a new fitness center.</p>	

- 1G, 10G and 25G speeds today
- Ready for 50G and 100G in the future
