<p>Improving people's lives with technology</p>                 	Connecting People and Things	<p>2022 Helping our customers to connect the next billion measured by the number of subscriptions in Nokia radio customers' networks and by the number of fixed network lines shipped to our customers.</p>	At the end of 2018 the radio networks we delivered to our customers served around 6.1 billion subscriptions worldwide, compared to around 5.5 billion at the end of 2016. ✓ Assured	 <p>Ongoing - on track</p>
	Sustainability-related products and services	<p>2018 2-3 Nokia Saving Lives solution kits provided and supported by Nokia and used by selected partner organizations in the humanitarian field, proving that Nokia technology saves lives.</p>	Since the target was set in 2016, we have established three kits out of which one was partially funded by GSMA. In 2018 one in the Philippines for the exclusive use of the Red Cross, an earlier one in Germany for Rapid response cases, and one as a spare kit in case of replacements, new developments and for remote support.	 <p>Achieved</p>
		<p>NEW target 2019: Establishment of a global rapid response team that can quickly respond in case of disasters.</p>		
		<p>NEW target 2019: Establishment of further international relationships with rescue forces and potential funds, so that Nokia Saving Lives can be deployed in a similar mode to other teams as done for the Philippine Red Cross.</p>		
		<p>2025 Improve the life of 2 000 000 persons through our corporate and key regional community investment programs (baseline 2016), focusing our action on gender balance, education and health and on how Nokia products and services improve people's lives.</p>	In 2018, our corporate and key regional community investment programs had around 304 200 direct beneficiaries. Since the baseline, already around 1 426 600 people have benefitted from our programs. ✓ Assured	 <p>Ongoing - on track</p>
