NOKIA

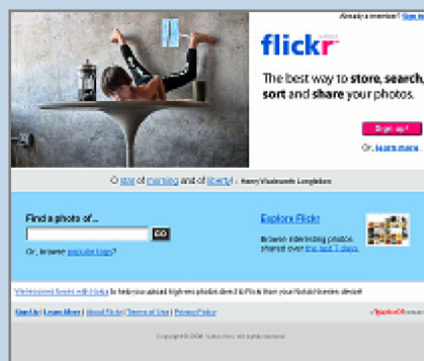

Future direction for Nokia

NOKIA

Connecting is about **helping**
you to feel close to what
matters to you.

NOKIA

NOKIA

**With 850 million users,
Nokia is uniquely
positioned to connect
more people to the
Internet than any other
company in the world.**

NOKIA

**In a world where everyone
can be connected, we take a
very human approach to
technology.**

NOKIA

NOKIA

Very human
technology
made real.

**We value the
environment and
communities around us.**
