

Proposal to authorize the Board of Directors to resolve to issue shares and special rights entitling to shares

The Board of Directors proposes that the Annual General Meeting authorize the Board of Directors to resolve to issue in total a maximum of 550 million shares through issuance of shares or special rights entitling to shares under Chapter 10, Section 1 of the Finnish Limited Liability Companies Act in one or more issues during the effective period of the authorization. The Board of Directors may issue either new shares or treasury shares held by the Company. The proposed maximum amount corresponds to less than 10 percent of the Company's total number of shares as of the date of this proposal.

Shares and special rights entitling to shares may be issued in deviation from the shareholders' pre-emptive rights within the limits set by law. The authorization may be used to develop the Company's capital structure, diversify the shareholder base, finance or carry out acquisitions or other arrangements, settle the Company's equity-based incentive plans or for other purposes resolved by the Board of Directors.

The Board of Directors shall resolve on all terms and conditions of the issuance of shares and special rights entitling to shares under Chapter 10, Section 1 of the Finnish Limited Liability Companies Act.

It is proposed that the authorization be effective until 4 October 2023 and terminate the authorization for issuance of shares and special rights entitling to shares resolved at the Annual General Meeting on 8 April 2021.
