

## Privacy statement

Processing of personal data related to the Annual General Meeting 2023 of Nokia Corporation.

Data Controller	Nokia Corporation (the Company) Karakaari 7 02610 Espoo, Finland
Purpose for processing of personal data	Information needed for the administration of the Annual General Meeting is collected through the system for the registration for the Annual General Meeting. The processing is based on the legal obligation to organize an Annual General Meeting according to the Finnish Companies Act. The purpose for the collection of the information is to enable the registration of shareholders, their representatives and their counsels to the Annual General Meeting, the identification of shareholders and their ownership and to enable the shareholders to exercise their rights, such as voting and presenting questions. The technical provider of the service is Euroclear Finland Oy. The Company will not disclose the information for direct marketing purposes. Information will be retained for a period of four (4) months after the Annual General Meeting, or as required by applicable law.
Personal data processed	In connection with registration and advance voting, the following personal data of the shareholders, their representatives or counsels may be processed: name, personal identity code or date of birth, address, phone number, email address, book-entry account number, number of shares and votes and voting information. The book-entry account number shall be used for identification by Euroclear Finland Oy and is not disclosed to the Company. In order to verify the accuracy of the voting result, the Company may receive the voting information of an individual shareholder.
Sources of information	In conjunction with registration, persons provide their own data. The personal identity code is used for identifying the shareholder in the shareholder register, maintained by Euroclear Finland Oy, and the registrant's ownership information is extracted from the register. When appointing a proxy representative, the shareholder shall enter the necessary personal data for the authorized person.
Disclosures of data and transfer of data outside the EU and EEA	The controller may disclose personal data to third parties, as appropriate, that are trusted service providers acting on behalf of the controller. The participant list and voting summaries shall be annexed to the minutes of the meeting. Personal data is not transferred to countries outside the EU or the European Economic Area.
