**Nokia Essential True Wireless Earphones  
E3200**

## The freedom to move. The power to listen

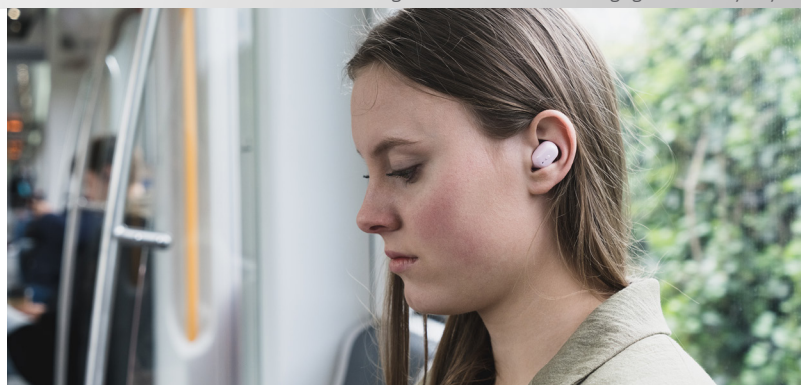

Nokia E3200 earphones are your essential audio companion – sleek, lightweight, and with a one-touch audio transparency function.

\*Total listening time includes the use of charging case and may vary.

## Listen to your surroundings

The unique Ambient Mode offers you the option to hear outside surroundings clearly while you're enjoying your music. It's perfect for engaging in conversation, or being aware of important travel announcements, without having to remove your earphones.

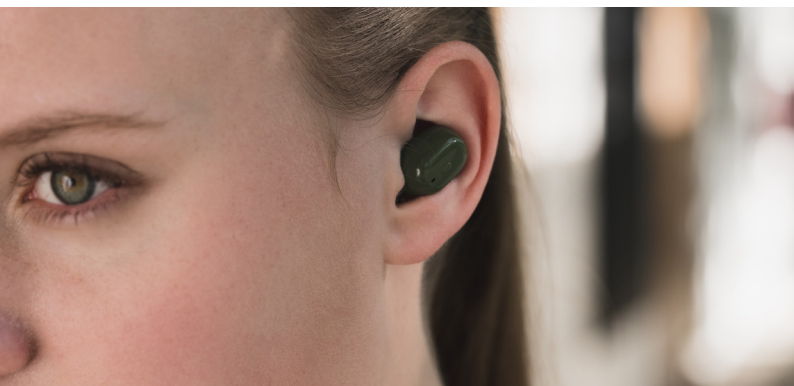

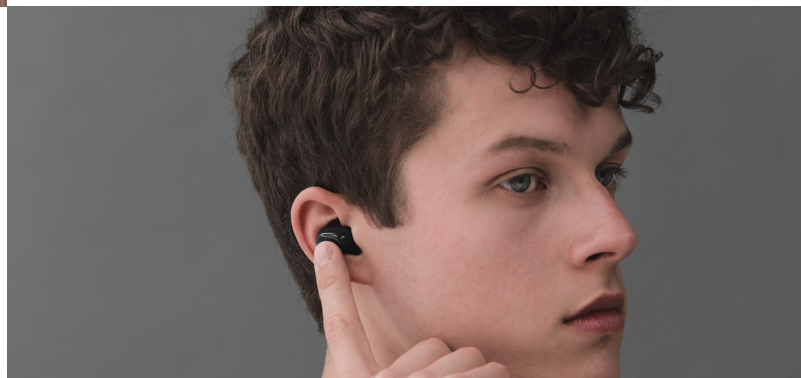

## Sync & go

Bluetooth 5.0 technology provides seamless, instant connection to your devices and a consistently strong connection for perfect pairing.

## "Hey Google, take me home"

Get directions, enjoy a music playlist, or make a call with the Google Assistant. Whenever you need hands-free, activating Google or Siri voice help is at your command.

## Built to resist

E3200 earphones resist rain or sweat to IPX 5—a high industry-accredited rating for moisture resistance.

# 4gm Ultra-lightweight

Ultra-lightweight and ergonomically engineered to accompany your everyday journey.

## Up to 17 hours\* of play time

Five hours of play time with the earphones, plus an additional 12 hours of play time using the sleek charging case. The earphones start charging the moment they're put inside.

## Specifications
