

Q: Does this TV support Netflix, Prime Video, Disney+hotstar, Zee5, Voot, AltBalaji, Sonyliv, Erosnow and Spotify?

A: Yes, it supports all these applications.

Q: Is the TV DLED or ELED?

A: This TV is DLED.

Q: My TV has become slow. What might be the reason?

A: This TV works like any other Android device such as an Android mobile phone. Please check the memory consumption and the number of downloaded apps. Clearing the cache memory regularly will improve its performance.
